Sir:

In response to the January 19, 2007 Decision on Applicants' Renewed Petition to Withdraw Holding of Abandonment in connection with the above-identified application, Applicants respectfully submit this Petition to Revive based on unavoidable delay in filing a reply (37 C.F.R. §§1.137(a)), and in the alternative based on unintentional delay in filing a reply (37 C.F.R. §§1.137(b)).

Facts/Background

On July 15, 2005, the Examiner mailed a Request of Information under 37 C.F.R. §1.105, requiring Applicants to provide certain information that the Examiner asserted as being “reasonably necessary to the examination of the application.” In view of the fact that the subject application had already received four (4) substantive Office Actions, Applicants’ representative believed that this Request of Information under 37 C.F.R. §1.105 had been issued in error. After consulting with the Examiner, the Examiner’s Supervisor (Mr. Millin) orally confirmed to Applicants’ representative that the Request Under 37 C.F.R. §1.105 had indeed been issued in error and that it was not necessary for Applicants to respond to this Rule 105 Request. Mr. Millin sent an email on November 4, 2005 reflecting this understanding.

Having not received the new Office Action that Mr. Millin indicated would be forthcoming, Applicants filed a Status Inquiry on January 31, 2006, reflecting their understanding and belief that the Examiner would be mailing a new Office Action for the subject application, and that Applicants were not required to file a Reply to the Request dated July 15, 2005. Nonetheless, a Notice of Abandonment was mailed February 13, 2006. Mr. Millin indicated during a subsequent phone conversation in early March, 2006 that the Notice of Abandonment was mailed in error and that a new Office Action would be forthcoming.

After again receiving no new Office Action from the Examiner, Applicants filed a Petition to Withdraw Holding of Abandonment on April 10, 2006. After receiving a Decision dated July 21, 2006, which did not withdraw the holding of abandonment, Applicants filed a Renewed Petition on August 15, 2006. A Decision on this Renewed Petition was issued on January 19, 2007, denying Applicants’ petition.

Petition to Revive Abandoned Application Under 37 C.F.R. §§1.137(a) and/or (b)

In view of the Decision dated January 19, 2007, which denied Applicants’ petition to withdraw the holding of abandonment, Applicants hereby Petition to Revive the subject application under 37 C.F.R. §§1.137(a), in that any delay in the filing of this Petition and the attached Reply was unavoidable. As reflected by the above facts, the entire delay in filing this Petition to Revive, along with the attached Reply, was unavoidable. Alternatively, Applicants hereby Petition to Revive the subject application under 37 C.F.R. §§1.137(b), in that any delay in filing of this Petition to Revive and the attached Reply was unintentional. As reflected by the

above facts, the entire delay in filing the Petition to Revive, along with the attached Reply, was unintentional.

Conclusion

If there are any questions regarding the above matters, please contact Applicants' representative, D. Richard Anderson, at the phone number listed below.

The petition fee as set forth in §1.17(l) is attached hereto. If the alternative Petition to Revive under 37 C.F.R. §§1.137(b) is deemed necessary, the Commissioner is hereby authorized to charge the petition fee as set forth in §1.17(m) to Deposit Account No. 02-2448.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee, including any fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.
